

PENTON 50TH ANNIVERSARY CELEBRATION

The Penton Owners Group and the Penton family invite you to join us.

Saturday March 10th, 2018 at 8:00am
Sunday March 11th, 2018 from 8:00am until noon.

KTM facility located at 1119 Milan Ave. Amherst, Ohio 44001.

There is NO entry fee or entry form to fill out, just show up, sign in and fill out a name tag!

SATURDAY doors open at 8:00am for display setup. Coffee and donuts will be there to greet you.

Plenty of room to display motorcycles and memorabilia and the day's events inside out of the weather. All Penton cycles are welcome for display, barn finds, restorations, riders and even a rolling chassis will be welcome, Wassells and short trackers too! Bring a whole display if you like or just a couple of your favorite items to show. For those with just a scrapbook or a couple of small items we will provide community tables.

Opening Ceremony at 10:00am with greetings, introductions and an entertaining look back at the 60s and 70s, remembering the golden age of off-road motorcycling.

Lunch will be provided on site by Bill Morris' famous Smokin' Rock N Roll catering.

There will be special events throughout the day that include Penton & Hi-Point employees, dealers and Team riders telling tales and answering questions.

Todd Huffman, the producer of The John Penton Story movie, will be on hand to host a very special showing of additional film segments that didn't make the original John Penton movie.

You can watch live broadcast of the popular Two Wheel Power Hour radio show hosted by Larry Ward and special guest Larry Maiers.

A significant portion of the day will be available to spend in the show looking at the vintage displays and talking about the good ole days with everyone. Plenty of time to catch up with old friends and make new friends. Get an autograph or give one, tell a story or hear a new one.

In the evening join us for the pizza party and The John Penton Story movie right there at KTM. After the movie leave your display if you like. You can come back in the morning and pick it up.

SUNDAY doors open at 8:00am. Breakfast will be served from 8 to 9 inside the KTM building. After breakfast take your time and visit or load up and hit the road. We only ask that you depart by noon.

There aren't many guarantees in life but the odds in Vegas are that this is going to be an epic event. You don't want to miss this one. After all, you'll have to wait until 2068 for the hundredth.
